RANKING POLICY

Due to the transient nature and diverse educational background of our student body, we do not report class rank for students in grades 3-11. However, we do report quartile rankings. At the end of 7th semester senior year, cumulative GPAs are used to rank the seniors.

Ranking Process: Cumulative GPAs are used to calculate quartile ranges that are identified in June of grade 11 (junior year-end of student's 6th Semester). Please note that Quartile ranking becomes adjusted, based on the number of students in each grade level, number of students in each of the four (4) rank levels, and the range of GPAs at each rank level.

NON - DISCRIMINATION POLICY

Saddlebrook Preparatory School does not discriminate on the basis of sex, sexual orientation, age, race, color, national or ethnic origin, or disability in administration of its admissions or educational policies, scholarship and loan programs, other school-administered programs, or in employment. Saddlebrook Preparatory School complies with the amended Family Education Rights and Privacy Act, Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972 & the Americans with Disabilities Act & Section 504 of the Rehabilitation Act of 1973.
